COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

Applicant acknowledges with appreciation the indication of allowability of the claimed invention. In response to the Examiner's Statement of Reason for Allowance in the Notice of Allowance of September 27, 2005, Applicant respectfully submits the following comments.

In the Examiner's Statement of Reasons for Allowance on page 2 of the Notice of Allowance mailed September 27, 2005, paragraph 1 states in part:

... Claim 2 is understood to be the broadest claim of independent claims 1, 2, 7, 14, 15, 21, and 22. The remaining independent claims recite further detail of the capacity switching feature.

It is respectfully submitted that independent Claims 1, 2, 7, 14, 15, 21, and 22 are of differing and not necessarily completely overlapping scope. In contrast, the Examiner's Reasons implies that any embodiment that does not infringe Claim 2 must not infringe any of the other claims. As this is not necessarily the case, it is respectfully submitted that none of the independent (or dependent) claims should be construed based on the inaccurate description in the Examiner's Reasons.

Consequently, Applicant respectfully submits that the inaccuracy in the Examiner's Reasons for Allowance may create a cloud on the validity of the patent. Applicant therefore respectfully requests the Examiner issue a corrected Notice of Allowance.
